NATIONAL DEFENCE ACADEMY

The National Defence Academy is an iconic institution and hallmark of global excellence in the sphere of military education. Over the years it has emerged as a unique military academy, attracting the best of youth from our nation and also from friendly foreign countries and transforming them into officers and gentlemen. During the last six decades of its glorious existence, the National Defence Academy has grown both in grace and grandeur and from its portals have emerged 'Leaders of Men', who have demonstrated the essence of inter-services camaraderie and jointmanship thereby vindicating the faith and vision of its founding fathers. Apart from leaders of men, the alumni have proved to be great mountaineers, cosmonauts, sportsmen, researchers, creative writers, artists, corporate honchos and more recently, olympic champions. Their achievements are all pervading and showcased in every echelon of our Armed Forces and also in the civil society. The 'Cradle' has indeed rocked the nascent youth and groomed them into 'Leaders' who have lived up to its ethos: 'Seva Paramo Dharma' (Service Before Self).
