

NATIONAL DEFENCE ACADEMY

The National Defence Academy is an iconic institution and hallmark of global excellence in the sphere of military education. Over the years it has emerged as a unique military academy, attracting the best of youth from our nation and also from friendly foreign countries and transforming them into **officers and gentlemen**.

सशस्त्र सेनाओं को समर्पित

Dehradun Defence Academy

During the last six decades of its glorious existence, the National Defence Academy has grown both in grace and grandeur and from its portals have emerged 'Leaders of Men', who have demonstrated the essence of inter-services camaraderie and joint manship thereby vindicating the faith and vision of its founding fathers. Apart from leaders of men, the alumni have proved to be great mountaineers, cosmonauts, sportsmen, researchers, creative writers, artists, corporate honchos, and more recently, Olympic champions. Their achievements are all-pervading and showcased in every echelon of our Armed Forces and also in civil society. The 'Cradle' has indeed rocked the nascent youth and groomed them into 'Leaders' who have lived up to its ethos: **'Seva Paramo Dharma' (Service Before Self)**.

" WHERE EXCELLENCE IS THE ONLY AIM "

“ अगर है जुनून देश सेवा का तो हम हैं आपके साथ

Dehradun Defence Academy situated at the foothills of Shivalik is recognized as the **BEST NDA COACHING INSTITUTION** all over India. We have earned this tag with hard work and by consistently delivering results over the years. In the academic session 2022-23, so far our **15 students** have cleared NDA. Hopefully, as soon as the result of NDA 1 2023 is published the total number of selections will exceed 30. The methodology of the academy is such that even average students can easily crack the exam which is the reason for this **excellent rate of selection** every year.

OUR LATEST SELECTION IN NDA EXAM

Covering all the bases from academics and personal grooming to SSB training we are on the rise to become the first choice of defense aspirants from all over India. A team of expert mentors from various fields is always there to coach the students to achieve short-term goals and long-term goals which is the final selection in the desired armed force.

WHY **DEHRADUN** DEFENCE ACADEMY?

Modern approach towards studies, we use short study capsules and videos along with infographics which makes it easy for the students to process the information.

Recent technologies and smart classrooms with access to smart panels enable us to enhance the quality of teaching and enhance the learning experience.

BEST NDA **COACHING** **ACADEMY IN** **DEHRADUN**

Online notes, our team believes that students should not waste their time making notes while in class. Instead, they must invest their time in resolving their doubts and learning concepts. Hence notes in pdf form.

Apart from academics, we also try to teach subjects like ethics, and communication skills with TOEFL-certified faculties so that the students may learn the necessary life skills.

All over India, we are the first institute that has its own mock test series of NDA / AIRFORCE X-Y group / CDSE and AFCAT. Our students practice all year long for the exams and can assess their progress in a more concrete way.

EXPERTS AND CUSTOMIZED STUDY MATERIAL

“

Unlike many other institutions, we have our own customized study material, prepared by our own expert faculties. Books are designed according to the **official syllabus given by the UPSC** and are accordingly updated every year. We believe that studying is not sufficient, practice is the key. Mock test papers are given to students on a regular basis so as to evaluate their progress and push them toward clearing the examination on the first attempt.

The best academy in Dehradun because of the teachers. The only academy a library facility and doubt solving sessions. This academy not only focuses on the syllabus but, also conducts mock-test regularly. Special classes are conducted even on Sundays. The most hardworking teachers you would ever find. With the maximum number of selections in written as well as in the SSB in both NDA and CDSE. This academy has classes with air-conditioning and projectors for smart and comfortable learning. After getting all these facilities and a faculty of itians and teachers who have cracked many government exams, it also depends upon the aspirant whether he/she has the officer among them or not.
