WORDS OF APPRECIATION

Honoured veterans of the Armed Forces share their heartfelt words, appreciating our continued efforts to guide and prepare future defence aspirants.

I found Dehradun Defence Academy administration and faculty very professional. They are providing the best materials on **NDA/CDS/FCAT Exams** syn with exam conducting body (UPSC/ Air force). I had very pleasant experience with them and DDA was very onerous to provide the best materials and online support free of cost to slum/rural area girls preparing for CDS/OTA exam in Gohana, Haryana.

-Lt Colonel Anil Balhara

"As a **retired Lt Col and former NDA cadet**, I understand the importance of quality preparation. **When my granddaughter Ishika needed guidance**, I found "Crack defence Exam x Dehradun Defence Academy" online coaching. They delivered comprehensive study materials and conducted engaging online sessions. **Ishika appreciated** the creative study material and DPP modules, which included class videos, allowing her to learn at her own pace. The concise books provide valuable summaries and background information, making preparation smoother. The course is thoughtfully designed and meets its purpose well. **Ishika enjoys the classes, and I highly recommend this service for anyone seeking excellent coaching.**"

**Lt Col Bharat Bhushan Ghai
(Retired)**

"Dehradun Defence Academy is my second home, I came here for my NDA preparation, learnt new things, and managed to clear NDA but couldn't get through SSB. I shifted my plan but not my goal and started preparing for CDS. Over the period of time a bond was formed with all the staff members, especially Saurabh Sir, he stood as my elder brother whenever and wherever needed. He is someone whom I kept updated throughout my journey, from getting screened out to **getting recommended**, I'd highly recommend the aspirants who are looking for guidance, this is your shot. **Join Dehradun Defence Academy and take a jump ahead towards your dream.**"

I joined Dehradun Defence Academy in April 2025 to prepare for the CDS examination. The teachers were extremely supportive and provided strong conceptual clarity, which helped me clear the exam with just six months of preparation.

Later, I enrolled in the 14-day SSB OG capsule, which gave me a clear and practical understanding of the SSB process. I would especially like to thank Shashi Sir, who led the SSB classes and gave individual attention to every student.

Based on my personal experience, I would confidently recommend Dehradun Defence Academy to any defence aspirant without any hesitation.

My journey over the last four years has been nothing short of a roller-coaster. came here with the dream of clearing the NDA, faced failures in my written exams, and one day proudly stand with a recommendation. Every challenge--be it academics, sports, co-curricular activities, group discussions, or lecturettes--helped shape me into whol am today.
What made this journey truly special was the constant guidance and support of the Dehradun defence academy faculty, which always felt like a family standing by me. These four years have given me not only success but n also lifelong memories and invaluable lessons.
At last, I would recommend every aspirant to be a part of DEHRADUN DEFENCE ACADEMY, because this academy not only prepares you for success but also gives you a family to walk with on the journey and "Special thanks to

I had an excellent experience at Dehradun Defence Academy while preparing for the CDSE. The coaching provided was top-notch, and the instructors were incredibly supportive and knowledgeable. They helped me excel in both the written exams and the interview process.

Thanks to their guidance, I was recommended by the 11 SSB board. I highly recommend this academy to anyone looking to succeed in their defence examinations.

I am truly impressed with the Dehradun Defence Academy. The academy provides an excellent environment for students serious about a career in the defense services. The facilities are top-notch, and the training is well-structured and focused. The faculty members are highly knowledgeable and experienced. They go out of their way to ensure that each student understands the concepts and is fully prepared for the challenges ahead. Their dedication is evident in how they teach, guide, and mentor students. The personalized attention and support provided by the faculty make a big difference in the overall learning experience. Moreover, the academy focuses on academics, physical fitness, and overall personality development, which are crucial for success in defense services. The disciplined and motivating environment at the academy helps students stay focused on their goals. Overall, Dehradun Defence Academy is an outstanding institution, and I highly recommend it to anyone serious about joining the defense forces. The faculty members and staff truly care about the success of their students, and it shows in everything they do.
